- Reformat web site to be responsive across all platforms
- Fix bugs and test web site to have cross browser compatibility

### Vacation Village Resorts

Area Marketing Manager  
March 2013 – Present

- Enhance and create new features for StanzaPet.com
- Reformat web site to be responsive across all platforms
- Fix bugs and test web site to have cross browser compatibility

### Smart Home Remodeling

Assistant Marketing Manager  
April 2011 – March 2013

- Manage all west coast event marketing operations and generate new sales opportunities across the country.
- Created and trained all marketing teams in CA, NV and AZ.
- Maintain the highest conversion rate from lead to appointment on the west coast.

## EDUCATION

### Origin Code Academy

Full Stack Software Development Certification  
Graduated August 2018

## PROJECTS

### GoFormz Background File Export

- Through two API calls the program exports a file, recognizes its extension, dynamically names it, creates a folder and saves the file locally.

### GAS IT UP

- Currently working on it.
